Email: trash@sdcity.sannet.gov

RECYCLING CENTER TIPS

Aluminum Cans: Rinse cans.

CRV vending machines will not accept pre-crushed cans.

Corrugated Cardboard: Boxes and other items made of waffle-type corrugated cardboard.

Flatten and remove plastic tape.

Cereal and food boxes should be recycled with mixed paper.

Glass: Glass bottles and jars.

Remove lids, rinse and sort by color.

Other glass items such as pyrex, window glass and light bulbs are NOT currently recyclable.

Mixed Paper: Colored paper, glossy newspaper inserts, magazines, brochures, junk mail, manila envelopes, chipboard or paperboard and other paper.

Remove gummed labels and plastic envelope windows. No plastic or wax-coated boxes.

Newspaper: Recyclers prefer dry, stacked newspaper. Don't tie with string.

Plastic: Most plastic containers are coded on the bottom according to the type of plastic used. The best markets are for PET #1 plastic bottles and HDPE #2 plastic milk and water jugs.

Rinse containers, remove caps, and flatten.

Refrigerators/Appliances: For information about recycling appliances, please see the recycling center listings for the center nearest you or call the Recycling Hotline at (858) 467-0903.

Steel Cans: Steel with a thin tin coating. They can range from soup and pet food cans to beverage, aerosol and paint cans. If it sticks to a magnet it's definitely steel.

Rinse cans before recycling.

White Office Paper: Copy paper, typing paper, computer paper and other white office paper.

CALIFORNIA REDEMPTION VALUE (CRV) EXPANDED TO ADDITIONAL CONTAINERS!

State law has expanded the containers included in the CRV program. CRV is now paid on aluminum, glass, and plastic containers that contain the following beverages: Beer and malt beverages, wine and distilled spirit coolers; all carbonated and noncarbonated water, mineral water, soda, soft drinks, sports drinks, coffee and tea drinks; fruit drinks that contain any percentage of fruit juice; and 100% fruit juice in containers smaller than 46 oz.

Printed on 100% recycled paper, 10 to 15% post-consumer waste, using non-toxic soy ink.
This information is available in alternative formats upon request.

FREE MULCH AVAILABLE AT MIRAMAR LANDFILL

At the City of San Diego's Miramar Landfill Greenery area, leaves, trees and other yard trimmings are recycled by grinding and processing them into mulch, compost, and wood chips. All are available to the public. Mulch is available at no cost (except for three-axle vehicles or larger). Compost and wood chips are available for a fee with discounts for City of San Diego residents.

Please bring a shovel, containers and a tarp to cover your load. For more information on cost and availability of material call (858) 573-1420.

COMPOSTING INFORMATION

You can compost your yard and food waste at home. Please call the Recycling Hotline at (858) 467-0903 for a brochure or for more information.

RECYCLING HOUSEHOLD HAZARDOUS WASTE

In addition to used motor oil, individuals can recycle other household hazardous wastes including antifreeze, automotive batteries, oil filters, and latex paint products. For information on recycling options for these household hazardous wastes, call the City of San Diego Household Hazardous Materials Hotline at (619) 235-2111.

MANY ITEMS ARE RECYCLABLE. CONSIDER RECYCLING...

Appliances
Asphalt / Concrete
Cereal Boxes
Computers
Furniture
Household Items
Mattresses
Radiators
Toilets / Bath Fixtures
Videotapes
Water Heaters
Yard / Wood Waste

Call the Recycling Hotline (858)467-0903 for more information.

I LOVE A CLEAN SAN DIEGO

I Love a Clean San Diego is a not-for-profit, environmental organization founded in 1954. ILACSD coordinates various public education programs for governmental agencies, businesses and trade groups. The organization relies on municipal funding, in-kind donations, fees-for-service, individual and corporate memberships and volunteers to support its operation. ILACSD provides programs in area schools, staffs a Recycling Hotline, publishes a regional recycling guide of local recycling centers and provides water pollution programs as well as other educational activities.

Call (858) 467-0103 to learn how you can VOLUNTEER to help these important efforts!

WHY IS RECYCLING IMPORTANT?

Because your efforts at reducing waste...

- *Save Natural Resources*
- *Save Energy and Reduce Pollution*
- *Save Our Landfill Space*
- *Create Jobs*

HOW DOES RECYCLING AFFECT YOU?

State law requires all California cities and counties to reduce the amount of waste going into their landfills.

BUY RECYCLED!

For a list of recycled products available to purchase in your area, to find out about recycling services for businesses, or for a copy of the *RECYCLING GUIDE*, call the Recycling Hotline at *(858) 467-0903*.

Environmental Services Department Drop-Off Collection Program

AT CITY PARK AND RECREATION CENTERS

The City of San Diego Environmental Services Department provides a drop-off recycling program at most Park and Recreation centers throughout the city. Residents have the opportunity to recycle the following materials at their nearest Park and Recreation Center:

- *Aluminum and steel cans*
- *Glass bottles and jars*
- *Newspaper*
- *CRV Plastic Bottles*

All revenues from the sale of recyclables are returned to the centers to benefit the community where the money was earned.

Since the program was initiated, more than 9,500 tons of recyclables have been diverted from landfill disposal and the Environmental Services Department has returned over $508,000 to the Park and Recreation Centers.
